FILLING HEIGHT - folded out	260 mm
LOAD BEARING CAPACITY	800 kg
DRUM WIDTH	variable
WEIGHT	6,94 kg
EAN-CODE	9120045475616

DESCRIPTION

The compact XB 500 Cable roller is a universal cable drum reel and unwinder for all types of cables and pipes (core cables, cable rings, cable drums, empty pipes, ropes and cable drums). It enables trouble-free and rational working without tangled cables. The XB 500 Cable roller can be loaded up to 800 kg and is suitable for almost any type of drum.

Especially suitable for damaged cable drums.

The height-adjustable lid is perfectly designed to secure loose cables, cable rings or pipes in the XB 500, thereby preventing uncontrolled cable unwinding. The 6-fold-out support extensions enable a wider support surface of Ø 655 mm. 12 rubberized feet ensure a non-slip and secure stand. Ideal for protecting surfaces for already finished floor coverings.

Application video: you can watch a short, very informative application movie by scanning the QR code or on www.runpotec.com.

Scope of supply: 1 x XB 500 Cable roller incl. XB mandrel

ADVANTAGES

- Universal cable drum rewinder and unwinder
  Suitable for all types of cables, pipes, wires and cable drums
- Loadable up to 800 kg
- Ideal for loose cable bundles 1
- Also suitable for empty pipes thanks to fold-out extensions 2
- Unwinding of 2 cable bundles simultaneously 3
- Excellent for damaged cable drums 4
- Non-slip and stable base
- Can be combined with RM35 cable length measuring device 5
