DATA

ITEM NO.:	**10147**
WEIGHT	3,64 kg
DIAMETER	outside-Ø 115 mm / inside-Ø 54 mm
LENGTH	150 mm
EAN-CODE	9120045475708

ADVANTAGES

- High quality aluminium die casting
- Integrated quick-release fastener
- Tool-free installation
- Quick assembly
- Low weight

DESCRIPTION

The two centering cones are made of high-quality die-cast aluminum and each have an integrated quick-release fastener. This allows the drum to be fixed quickly, without tools, and in a centered position. Drums with a maximum inner diameter of 115 mm can be mounted quickly and securely. Thanks to its low weight, it is particularly easy to use.

Application video: a short, very informative application video can be viewed by scanning the QR code or on www.runpotec.com.

Scope of delivery: 2 x Centring cones with quick-release fastener

INFORMATION

Use with:
RUNPOLIFTER 4500
pair of lift supports
